

Consolidated Rail Infrastructure and Safety Improvements Clauses Attachment 1A

The Grantee agrees to comply with the clauses in this Attachment 1A according to its terms. Consistent with 49 U.S.C. § 22905(e), clauses (c) through (h) do not apply to: 1) commuter rail passenger transportation (as defined in 49 U.S.C. § 24102(3)) operations of a State or local government authority (as those terms are defined in 49 U.S.C. § 5302) or its contractor performing services in connection with commuter rail passenger operations; 2) the Alaska Railroad or its contractors; or 3) Amtrak's access rights to railroad right of way and facilities under current law.

a. Federal Contribution

The Federal share of total Project costs shall not exceed 80 percent.

b. Performance Measures

Grantee agrees to measure and report on the performance measures as stated in Attachment 5.

c. Buy America

In lieu of Section 37 of Attachment 1 to this Agreement, the Grantee agrees to comply with the Buy America provisions set forth in 49 U.S.C. § 22905(a) for the Project.

Additional guidance on compliance with the Buy America provisions is available on FRA's website at: <http://www.fra.dot.gov/Page/P0185>.

d. Operators Deemed Rail Carriers

The Grantee recognizes and agrees that 49 U.S.C. § 22905(b) provides that persons conducting rail operations over rail infrastructure constructed or improved in whole or in part with funds provided by this Agreement will be considered a "rail carrier" as defined by 49 U.S.C. § 10102(5), for purposes of Title 49, United States Code, and any other statute that adopts that definition or in which that definition applies, including: the Railroad Retirement Act of 1974 (45 U.S.C. § 231 *et seq.*); the Railway Labor Act (45 U.S.C. § 151 *et seq.*); and the Railroad Unemployment Insurance Act (45 U.S.C. § 351 *et seq.*). The Grantee agrees to reflect this provision in its agreements (if any) with any entity operating rail services over such rail infrastructure.

e. Railroad Agreements. In accordance with 49 U.S.C. § 22905(c)(1):

(1) If Grantee owns the rights-of-way used by the Project funded by this Agreement, then Grantee agrees that: the infrastructure capacity is adequate to accommodate both existing and future freight and passenger rail operations resulting from the Project, as applicable; railroad collective bargaining agreements with railroad employees (including terms

regulating the contracting of work) will remain in full force and effect according to their terms for work performed on the railroad transportation corridor; and the Grantee assures compliance with liability requirements consistent with 49 U.S.C. § 28103.

(2) If Grantee does not own all of the rights-of-way used by the Project funded by this Agreement, then Grantee represents that it has entered into a written agreement with the owner of rights-of-way used by the Project funded by this Agreement, which includes: compensation for such use; assurances regarding the adequacy of infrastructure capacity to accommodate both existing and future freight and passenger operations resulting from the Project; an assurance by the owner that collective bargaining agreements with railroad employees (including terms regulating the contracting of work) will remain in full force and effect according to their terms for work performed by such employees on the railroad transportation corridor; and an assurance of compliance with liability requirements consistent with 49 U.S.C. § 28103.

f. Labor Protective Arrangements

In accordance with 49 U.S.C. § 22905(c)(2)(B), if the Project uses rights-of-way owned by a railroad, then Grantee will ensure compliance with the protective arrangements that are equivalent to the protective arrangements established under Section 504 of the Railroad Revitalization and Regulatory Reform Act of 1976, 45 U.S.C. § 836, with respect to employees affected by actions taken in connection with the Project financed in whole or in part by this Agreement.

g. Davis-Bacon and Related Acts Provisions

In accordance with 49 U.S.C. § 22905(c)(2)(A), if the Project uses rights-of-way owned by a railroad, then, the Grantee will ensure compliance with the standards of 49 U.S.C. § 24312 with respect to the Project in the same manner that Amtrak is required to comply with those standards for construction work financed under an agreement made under 49 U.S.C. § 24308(a). For these purposes, wages in collective bargaining agreements negotiated under the Railway Labor Act are deemed to comply with Davis-Bacon Act requirements.

h. Replacement of Existing Intercity Passenger Rail Service

If an intercity passenger rail transportation provider replaces Amtrak intercity passenger rail service, then such provider must comply with the provisions of 49 U.S.C. § 22905(d).
