ITEM 5

METHOD OF CANCELLING ITEMS

As this tariff is supplemented, numbered items with letter suffixes cancel correspondingly numbered items in the original tariff, or in a prior supplement. Letter suffixes will be used in alphabetical sequence starting with A. Example: Item 100-A cancels Item 100 and Item 300-B cancels Item 300-A in a prior supplement which, in turn, canceled Item 300.

ITEM 6-A

In addition to the local line-haul transportation charge or charges published in this or other applicable tariffs or in other specific railroad publications, a variable, mileage-based fuel surcharge will be assessed on all traffic other than regulated common carrier traffic subject to the jurisdiction of the STB from or to stations on the applicable railroad.

Fuel surcharge is to be paid by the freight payer contained on the Bill of Lading and will be shown as a separate line item on the invoice and will be collected by and accrue solely to the specific railroad.

The mileage-based fuel surcharge amount and calculation thereof are discussed in tariff WTS 9500-B available for viewing and/or printing on the WATCO website (www.watco.com).
