Submission of completed applications and associated fees does not guarantee approval and execution of the requested lease.

Please allow up to 10 business days for review and – if approved – to receive both a lease for your review and an invoice for the first payment. Certain applications – particularly those requiring review of development projects - may require additional time to review.

Application fees are non-refundable.

AGREEMENT EXECUTION:

Prior to full execution of the lease, Lessee will need to return the signed lease, first lease payment, and a certificate of insurance meeting all requirements presented in lease Exhibit B. The Lessor will sign and execute the lease once all required items are received. Incomplete applications will cause delay.
